

Garn Goch, Brecon Beacons

Acquisition of 395 acres of common land known as Garn Goch to ensure that the area's important natural and archaeological characteristics can be maintained. Besides being a designated area of moorland and heath, the entire site is a Scheduled Ancient Monument: on its summits are two Iron Age hill forts, with additional hut circles, ancient field enclosures, terraces and pit dwellings.

Nation/region

West Midlands

Grant awarded

£2,500
