

Henry Hindley Clock

Acquisition of year-going longcase clock by Henry Hindley of York (1701-71) who also made the clock in York Minster. One of four year-going clocks known to have been made by Hindley and the movement is of a very fine quality and perfectly preserved. The clock retains its original pendulum and driving weight and will run for 54.8 weeks on each winding.

Nation/region

Yorkshire and the Humber

Grant awarded

£2,600

Award date

23/01/1985
